**Literature:**

**Avanti Literature Print (Ad 6)**  
"Industrial Design" published in 1979. With the purchase of the book came a limited edition print of the car. Both items are signed and numbered by Raymond Loewy, number 28 of 250. The book is in a slip case and in very good condition. The print was professionally framed at great cost. The frame measures 40x31 in. The third item is the book Avanti by Thomas Bonsall which is an accumulation of advertising literature published by Studebaker. Asking \$1,000 for the 3 items or best reasonable offer. Contact Jean Laverdure\* [laverdj@zing-net.ca](mailto:laverdj@zing-net.ca)
